AFFIDAVIT OF LAURA ZIEGLER IN
OPPOSITION TO ELI LILLY AND
COMPANY'S AMENDED PROPOSED
FINDING OF FACTS AND PROPOSED
ORDER FOR MANDATORY INJUNCTION

I, Laura Ziegler, being duly sworn, state:

1. I first learned of the documents at issue on December 19, 2006, when I opened an e-mail from James Gottstein. Mr. Gottstein informed me that he had sent me a DVD, or two DVDs, containing documents pertaining to Zyprexa, and that he had been orally ordered to have them returned to Special Master Peter Woodin.
2. In response to his request I arranged to have a package from Mr. Gottstein which had arrived in my Montpelier post office box sent, unopened, to Special Master Woodin by certified mail on December 20. I had it arranged as I was not in Montpelier at the time.
3. I have confirmation from the U.S. Postal Service that the package was accepted on the morning of December 20 and delivered on Thursday, December 28, shortly before noon. A copy of this confirmation is attached.
4. I have not seen the Zyprexa documents. I have not had these documents in my possession other than as the presumed content of an unopened package at the Montpelier post office. I have not given them to another person other than to arrange to have that package taken out of my post office box and sent, unopened, to Special Master Woodin.
5. I believe there is no basis for the court to enjoin me.

I declare under penalty of perjury and under the laws of the United States that the above statement is true and correct.
